“Golf with Rolf” for Leukemia is a golf tournament in support of the Leukemia and Lymphoma Society of Canada. It will consist of four person teams, and played as a “best ball”. This is a fun tournament for friends and family to come out and support this great cause that hits close to home for many of us.

After the golf tournament there will be a dinner, drinks, raffles, 50/50 draw and prizes. The evening will also include live music from Michael George and will surely be a good party for all!
